

POSTERS PROGRAMME ICE 2008

Daily: Monday to Friday 12h30 to 14h00 Hall 3ABC Presenters at Posters

Presenting Author

SECTION 5 Urban, Stored product and Post Harvest Entomology

CONVENORS: Frank Arthur (USA), Frikkie Kirsten (RSA) and Michael K. Rust (USA)

Symposium Reference No.	5.01	Ecology and management of stored-product insects in large-scale facilities	
Abstract No.	1151	Title Storage pests and seed injury in farm storage facilities in Namibia	Vaclav Stejskal
		Authors Vaclav Stejskal	
Abstract No.	1615	Title Temporal dynamics of insecticide aerosols in a small experimental store	Jan Plachy
		Authors Jan Plachy Vladimir Kocourek Vaclav Stejskal	
Abstract No.	2249	Title Electron beam treatment as a phytosanitary measure for stored product pests	Nouraddin Shayesteh
		Authors Nouraddin Shayesteh Abbas Hosseinzadeh Mohammad Reza Ardakani	
Symposium Reference No.	5.02	Biological control of stored product insects	
Abstract No.	86	Title Effect of host density (<i>Ephestia cautella</i>, larvae) and exposure period on the efficacy of <i>Bracon hebetor</i> under field conditions	Ayad Ahmed Al-Taweel
		Authors Ayad Ahmed Al-Taweel Emad Ahmed Mahmmod Alla Abdul-Alhassan Muhsen	
Abstract No.	3026	Title Synergistic effect of <i>Bacillus thuringiensis</i> on <i>Habrobracon hebetor</i> during combine biological control of <i>Plodia interpunctella</i>	Hongyu Zhang
		Authors Rotimi Akinkulore Hongyu Zhang	
Symposium Reference No.	5.04	Ecology of stored-product insects for improving pest management	
Abstract No.	54	Title Control of maize weevil <i>Sitophilus zeamais</i> (Motsch.) using indigenous plants for stored maize protection in Africa	Donald A. Ukeh
		Authors Donald A. Ukeh Michael A. Birkett John A. Pickett	
Abstract No.	739	Title Transmission of fungal communities by <i>Tyrophagus putrescentiae</i>	Wojciech Wakulinski
		Authors Wojciech Wakulinski Ewa Szlendak Agata Domoslawska	
Abstract No.	742	Title Food selection preferences of <i>Tyrophagus putrescentiae</i> acarid mites among wheat kernels infested by fungi	Ewa Szlendak
		Authors Ewa Szlendak Wojciech Wakulinski	
Abstract No.	945	Title Long way round: Global dispersal patterns of the invasive psocids <i>Liposcelis decolor</i> (Pearman) and <i>L. bostrychophila</i> Badonnel (Psocoptera: Liposcelididae)	Katarina Mikac
		Authors Katarina Mikac	
Abstract No.	1300	Title Molecular characterizations of a novel P450 gene encoding CYP6CE1 overexpressed in Phosphine and Dichlofos resistant strains of <i>Liposcelis bostrychophila</i> Badonnel (Psocoptera: Liposcelididae)	Jin-Jun Wang
		Authors Hong-Bo Jiang Jin-Jun Wang Pei-An Tang	
Abstract No.	1386	Title Assessment of on-farm stored maize losses in the highland areas of Bungoma district, Kenya	Kimondo Mutambuki
		Authors Kimondo Mutambuki Christopher N. Ngatia	
Abstract No.	1986	Title Ecology of groundnut storage pests in Burkina Faso	Ouedraogo Issoufou
		Authors Ouedraogo Issoufou Traore N.Seydou Dakouo Dona	
Abstract No.	3480	Title Development of a light emitting diode (LED) system for effective attraction of stored product insects	Me-Chi Yao
		Authors Me-Chi Yao Chi-Yang Lee En-Cheng Yang	
Symposium Reference No.	5.05	Economical, environmentally sensitive termite management: a global perspective	
Abstract No.	2193	Title The French Quarter program: A pilot program for area-wide integrated pest management of formosan subterranean termites in New Orleans, Louisiana, USA	Dennis Ring
		Authors Dennis Ring Alan Morgan Frank Guillot	
Abstract No.	3472	Title Study of insect growth regulators (Hexaflumuron and Pyriproxyfen) and Fipronil on vegetative and conidia germination of <i>Beauveria bassiana</i>.	Ahmad Baghdadi
		Authors Ahmad Baghdadi Marzieh Rashid Aziz Sheikhi	
Symposium Reference No.	5.9	Other	
Abstract No.	567	Title Laboratory and field investigations of pestiferous Chironomidae (Diptera) in man-made wetlands in central Florida, USA	Arshad Ali
		Authors Arshad Ali Robert Leckel Naphtali Carandang	
Abstract No.	697	Title Management of <i>Sitophilus oryzae</i> and <i>Tribolium castaneum</i> in stored rice by traditional parboiling as practiced in Guinea	Aïssata Camara
		Authors Aïssata Camara Charles Vincent Michel Raymond	
Abstract No.	708	Title Educational programs for indoor pest control in the United States	Susan King
		Authors Susan King James Fredericks	

Daily: Monday to Friday 12h30 to 14h00 Hall 3ABC Presenters at Posters			Presenting Author
Abstract No. 1371	Title	Fumigant toxicity of essential oil from <i>Tanacetum balsamita</i> L. against <i>Callosobruchus maculatus</i> (F.) (Coleoptera:Bruchidae)	Nouraddin Shayesteh
	Authors	Nouraddin Shayesteh Farzaneh Attighi Shahram Aramide	
Abstract No. 1707	Title	Using differential responses to light spectra as a push-pull control strategy for wood borers and bark beetles	Stephen Pawson
	Authors	Stephen Pawson Michael Watt	

28 June 2008
